2011 ACCESS FUNDRAISING DINNER GALA

IN SUPPORT OF

ACCESSSM

Asian Christian Counseling &
Educational Seminar Services, Inc.

SKIN It's not just a matter of epidermis and melanin. For Asian Americans, it is one of those tangible, external physical elements that identify us. And yet, it may be safe to say that many Asian American teens and young adults are rather uncomfortable in their own skin. Come join us for an evening of great food and music, as our guest speaker David Park talks about how to be comfortable in our own skin; to see our ethnicity and heritage as a God-given gift; and to be empowered to speak and act from the strength of our convictions, not just our college degrees and technical skills. David Park is the Associate Director of Reconciliation for EFCA and the Interim Pastor at Open Table Community Church.

Your support enables us to provide culturally-sensitive and language-appropriate counseling services for the Asian and Asian American in the Metro Atlanta area.
