

Asian Christian Counseling &
Educational Seminar Services, Inc.

August 20th, 2014

Dear Friend of ACCESS/Potential Sponsor,

Greetings on behalf of the Board of Directors and staff of *Asian Christian Counseling & Educational Seminar Services, Inc.* (ACCESS)! If you have helped sponsor any of our events in the past, we thank you for your support and hope you will consider sponsoring again. For those of you who are not familiar with us, we are a non-profit counseling service incorporated August 2004, serving the Greater Atlanta community now for ten years.

While our services are open to people of all ethnicities and religions, our mission is focused on addressing the mental health needs of the Asian and Asian American population in the Greater Atlanta area by providing affordable and accessible professional counseling and psychotherapy, as well as preventive and educational services. Through such services, we seek to offer hope and guidance for positive personal change in order to restore broken relationships, strengthen families, promote emotional healing, and enhance individual lives and interpersonal relationships.

Georgia has one of the fastest growing Asian American populations in the US, with a population of well over 200,000 Asian and Asian Americans in the Metro Atlanta area. In light of this growth, it is clear that there is a need for culturally-sensitive and language-appropriate counseling services for the Asian and Asian American population, and yet such services have been lacking in Atlanta, as in most of the United States. **ACCESS** has not only been working to fill this need for culturally-sensitive and language-appropriate counseling services, but as part of our mission to provide affordable services, we have also offered a sliding scale discount based on income and ability to pay to many in need. In addition, we have given numerous educational workshops and seminars to various groups in the area.

On **Saturday, November 1st**, we will be hosting our 10th Anniversary Celebration & Fundraising Dinner Gala, with the theme "Journeying Into The Next Decade." This event will feature a gourmet Chinese banquet, door prizes, musical guest and a program with guest speaker Eugene Rhee, who has worked and served in a variety of settings as counselor, chaplain, and pastor in Boston, New York City, Washington, D.C., and Atlanta. We invite you to join us that evening and/or to help as a sponsor as detailed in the attached brochure. *This year, for our 10th Anniversary, we plan to have a special commemorative program booklet, so we hope you will consider a special personalized message or advertising sponsorship for this special edition. Please note that this booklet will be full (8½" x 11") size instead of our regular half (5½" x 8½") size program booklet, so advertisement sizes will also be larger.*

ACCESS is a 501(c)3 charitable organization, so donations are tax-deductible to the fullest extent allowed by law. Your support would help enable us to offer counseling services at a discounted rate to those in need, as well as to begin to fill the void of much needed counseling services for the Asian American population in the Metro Atlanta area. Thank you for your consideration.

Sincerely,

Rebekah M. Wang, LMFT
Executive and Clinical Director
